Handcrafted

Square corners [0"]

Installation

Reveal undermount

Bowl

30" × 16" × 10"

Overall

32" × 19" × 10"

Recommended cabinet

36"

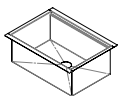

Drain

Ø 3½"

Features

- A workstation that allows accessories to be slid over one another on two levels. It facilitates preparation, serving, and cleaning by optimizing workspace on the kitchen counter
- Reveal installation that creates an additional ledge, allowing the use of accessories on two levels (refer to the installation guide and cutting template)
- Resistant, durable, antimicrobial, and dishwasher-safe composite accessories
- 304 brushed finish stainless steel (18/10) – 18 gauge
- Sound deadening pads for maximum noise reduction
- Modern zero radius corners to maximize workspace in the sink
- Drain located towards rear providing more space under the sink
- Product certified ASME A112.19.3, CSA B45.4-2022
- Proudly designed in North America

Included
